

ROCK'N'ROSE EUROPA CUP 2016

Toulouse, June 9th to 12th

STADE TOULOUSAIN RUGBY HANDISPORT

Since 2008, the club works for the wheelchair rugby's development in France, in taking part and organizing tournaments and helping other clubs to grow up. As rugby is the most popular sport in Toulouse and its region, quad rugby had to be represented at its best level.

Today **Stade Toulousain Rugby Handisport** is one of the main club in France and a reference for its social and sport projects. Some players are regularly called to play in the French national team and they highly contribute to the encouraging results of « les Bleus ».

*"Our club brought **wheelchair rugby** in France in 2003 and we are proud that, thanks to the engagement of players, staff and volunteers, its development knows such a success in many cities. The aim of the **Rock'N Rose Cup** is to actively contribute to this dynamic thanks to an original event. The previous edition was a success with **more than 1000 spectators** and **6 teams** who played at a very high level.*

We are looking forward to welcoming in our pretty « Ville rose » (litterally « Pink city ») quality teams and to offer them a real Quad Rugby thrill."

Pablo Neuman

President and player of Stade Toulousain Rugby Handisport

PREVIOUS EDITION

The first edition, in **2008**, was a great success, stressed by the Flemish Lions victory and the experience was renewed two years later. In **2010**, a sport level corresponding to Professional League of Bernd Best Tournament allowed to gather many players from English, Belgian and French national teams.

For its third edition in **2014** the level reached one upper step to propose games at a **Champions League standard** with an exciting event of the Friday evening and a great final between the Falcons (Denmark) and the Rebels (Germany). This year, the best European players will have the opportunity to prepare the Rio Paralympics Games 2016 at Rock'N Rose Europa Cup 2016.

THE TOURNAMENT

At its origins the **Rock'N Rose Cup** is a private and independent tournament organized by **Stade Toulousain Rugby Handisport** to promote wheelchair rugby in France through a high level competition. For its fourth edition it merges again with the **Europa Cup** to make one fully sanctioned IWRF tournament and to propose a Champions League level to teams and spectators.

Six teams will compete during four days of intense competition to win the title and become the best squad in Europe.

Push back your limits at Rock'N Rose Europa Cup 2016 !

The three teams on the podium will be **the lucky winners of 3 000 €** to be used for sports equipment in their favorite shop:

- 1 500 € for the winner of the RNR Europa Cup 2016
- 1 000 € for the second place
- 500 € for the third place
